PAY ON USE

Should an emergency arise that is not included under your plan the agent can arrange for an approved engineer to attend your home but you will be responsible for all costs involved. The use of this service does not constitute a claim under your plan.

REPLACEMENT OF PARTS OR COMPONENTS

We reserve the right to use replacement parts supplied from third parties in addition to those parts that may be sourced from the manufacturer or their approved suppliers. You should make sure that the engineer can get reasonable access to carry out the repair. If we cannot get a replacement part needed to carry out a repair, or where the parts will take longer than 28 days to source, we will deem the boiler to be beyond economical repair.

Boiler servicing will be completed in accordance with the current Gas Safety Regulations. Please make sure that you have the manufacturer's instructions available for the engineer when they attend. Please note that remedial or maintenance work is not included as part of your boiler service.

Once the agent has received the completed boiler service request form the agent will arrange for an engineer to visit your home to service your gas boiler in line with Gas Safety Regulations. Boiler Services are normally carried out between April and September.

CLAIMS

To ensure an accurate record your telephone conversation may be recorded.

All requests for assistance must be made to the Claims Helpline Service and not to the engineer directly otherwise the work will not be covered.

Provided that the assistance is not precluded by adverse weather conditions, industrial disputes (official or otherwise), failure of the public transport system, including the road and railway network and repairs thereto, and any other circumstances preventing access to the home or otherwise making the provision of the assistance impossible.

There may be times when replacement parts are unavailable, delayed or are no longer available because of circumstances beyond our control. In the event of this occurring we will ensure that your home is safe and if required the engineer will provide you with a quotation for a suitable repair.

Please note that if you should engage the services of an engineer prior to making contact with the Claims Helpline Service any costs that you incur are not covered by this insurance.

OBSERVANCE

Our liability to make any payment under this plan will be conditional on you complying with the terms and conditions of this cover.

RENEWING YOUR COVER

Your cover will continue following receipt of your payment for the period of cover as defined in your schedule. We reserve the right to adjust your premium to reflect any changes in the cost of providing cover, changes in applicable tax and your claims history will also be considered as part of your premium review. We reserve the right to decline the renewal of this cover. You will receive at least 14 days notice if we decide not to renew your cover and we do not need to provide a reason for doing so.

OUR RIGHT TO CHANGE THE COVER OR PRICE

You will receive at least 14 days written notice if we decide or need to change your plan cover or the price of your plan for any of the following reasons:

1. To make minor changes to your plan wording that do not affect the nature of the cover and benefit provided such as changes to make the plan easier to understand;
2. To reflect changes in the law, in regulation (including any decision of a regulatory body), or to any code of practice or industry guidance affecting the company or your plan;
3. To reflect changes to taxation applicable to your plan;
4. To reflect increases or reductions in the cost (or projected cost) of providing your cover, including but not limited to cost increases or reductions caused by changes to the number, cost or timing of claims which we, as part of our pricing plan, have assumed or projected will be made under this cover product;

5. To cover the cost of any changes to the cover/benefits provided under this cover including but not limited to the removal of one or more exclusion(s);

6. To cover the cost of changes to the systems, services or technology in support of this product.

We may make changes immediately and advise you within 28 days of the change having been made if the change is favourable to you.

CANCELLATIONS

We hope you are happy with the cover this plan provides. However, if after reading this plan, this cover does not meet with your requirements, please write to us within 14 days of issue and we will cancel the plan.

Please note, only you or your authorised representative should write to cancel. The cancellation period provided within your plan is inclusive of the statutory 14 day period which begins on the commencement date or 14 days from the date you receive your plan documentation, whichever is the later.

Where your plan is cancelled after the cancellation period following the purchase or renewal of a plan, an administration fee of £35 is payable. This fee will be taken before your plan is cancelled.

Where your plan is cancelled either within or after the cancellation period and you have made a claim, your your premiums monthly you will be required to pay for the remainder of the 12 month period plan will be cancelled immediately and your premium will not be refunded, if you pay from the commencement date/last anniversary date.

Where your plan is cancelled after the cancellation period and you have not made a claim, your plan will be cancelled and you will be entitled to a refund of any premium already paid to us for the remaining period after your plan has ended.

For the avoidance of doubt, the plan will be cancelled from the date that a monthly premium would have been due to the end of the period to which that payment relates. You will continue to benefit from cover until the date your plan is cancelled.

In any event you will need to pay for any service(s) that you have received.

No1 Home shall not be bound to accept renewal of any cover and may at any time cancel the document by giving 14 days' notice in writing. A cancellation letter will be sent to you at your last known address. Reasons may include but are not limited to:

- a. Where we reasonably suspect fraud;
- b. Non-payment of premium;
- c. Threatening and abusive behaviour
- d. Non-compliance with plan terms and conditions;
- e. You have not taken reasonable care to provide accurate and complete answers to the questions we ask.

If we cancel the cover and/or any additional covers you will receive a refund of any premiums you have paid for the cancelled cover, less a proportionate deduction for the time we have provided cover.

Where our investigations provide evidence of fraud or misrepresentation, we may cancel the plan immediately and backdate the cancellation to the date of the fraud or the date when you provided us with incomplete or inaccurate information.

This may result in your plan being cancelled from the date you originally took it out and we will be entitled to keep the premium.

If your plan is cancelled because of fraud or misrepresentation, this may affect your eligibility for cover with us, as well as other covers in the future.
